Now manufactured in India
MINI-MICRON 77

the power sprayer with the rotary atomiser

MICRON

Saves money! Exclusive rotary atomiser ensures a more even and finer pattern of spray droplets... uses less chemicals, less diluents.

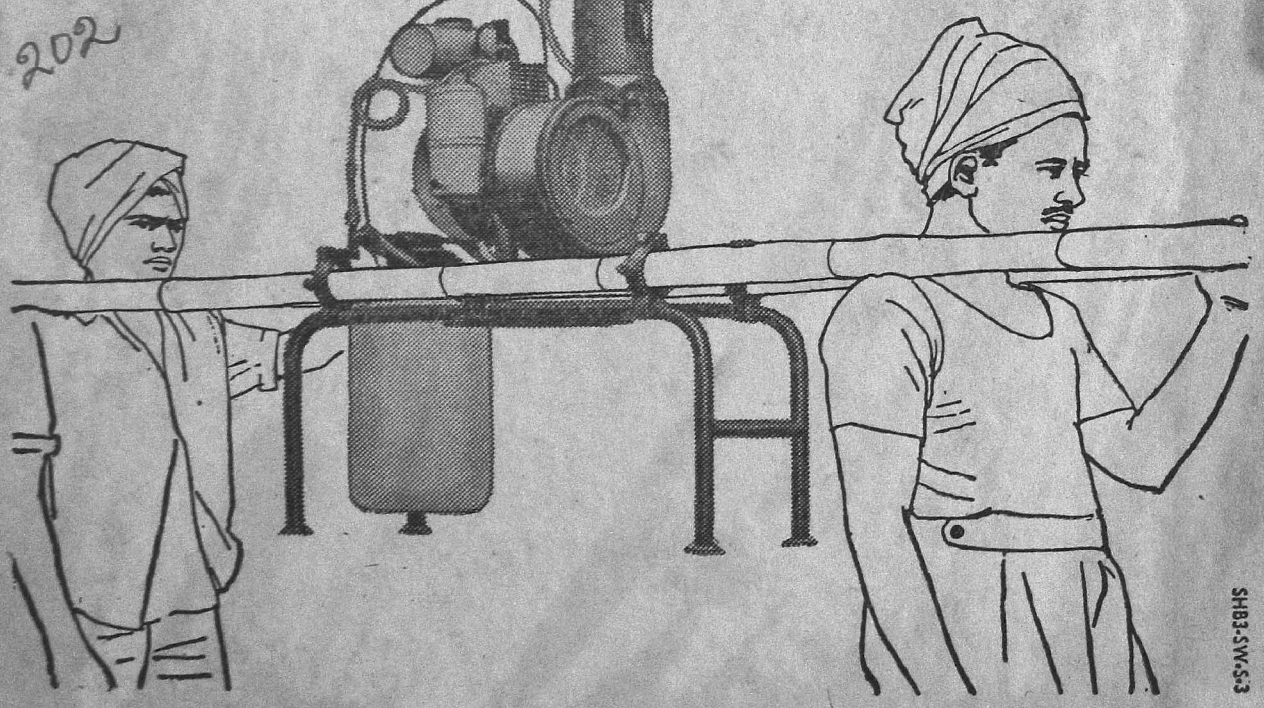

Saves time! Displacement is ten times more than that of the conventional mist blower... up to 10-20 acres coverage a day reducing time and labour costs.

Saves trouble! Gives a vertical spray up to 70 feet... horizontal to 90 feet... sturdy, compact design for easier carrying and long, trouble-free service.

COFFEE, KAVA, KOPHE, CAFE

Whatever the spelling they all mean one thing—Coffee. Millions of people, the world over, drink this delicious, aromatic, invigorating beverage. Thousands depend on the coffee shrub with its bright red berries for their livelihood. But the work of the growers is not always easy as the plantations are constantly menaced by attacks of insect pests and fungus diseases.

Modern science, however, has come to the aid of the coffee growers. During many years of exhaustive research work, Bayer chemists have developed highly effective pesticides to protect this valuable crop.

FOLIDOL AND METASYSTOX—the proved Bayer insecticides for controlling coffee leaf miners, scale insects, green bugs and numerous other species of sucking and biting pests.

Rain to order with

VOLTAS

SPRINKLER IRRIGATION SYSTEM
—a boon on tea and coffee plantations

Here is the best way—the only way—to obtain *timely* showers on your tea or coffee plantations —with the Voltas Overhead Sprinkler System. This 'rain' is timely because it can be *controlled* by you. And the disadvantages of water logging and underground seepage—inherent in surface irrigation—are totally absent.

The initial cost of installation is offset by the bigger, better crops you get with Voltas Overhead Sprinkler irrigation. It is a system worth your investigation. Over 60 tea and coffee estates are already reaping the benefits of Voltas Sprinkler System.

ROOT OUT THE BEGGAR AND HAWKER EVIL

One of the reasons why the trains are infested with beggars is that the charitably disposed have a soft-corner for them.

Equally of nuisance value to the travelling public are the hawkers who peddle fruit and other wares. Without a valid ticket these people "Sing" their way from compartment to compartment and station to station. Mostly unhygienic, they are carriers of infection. They include anti-social elements.

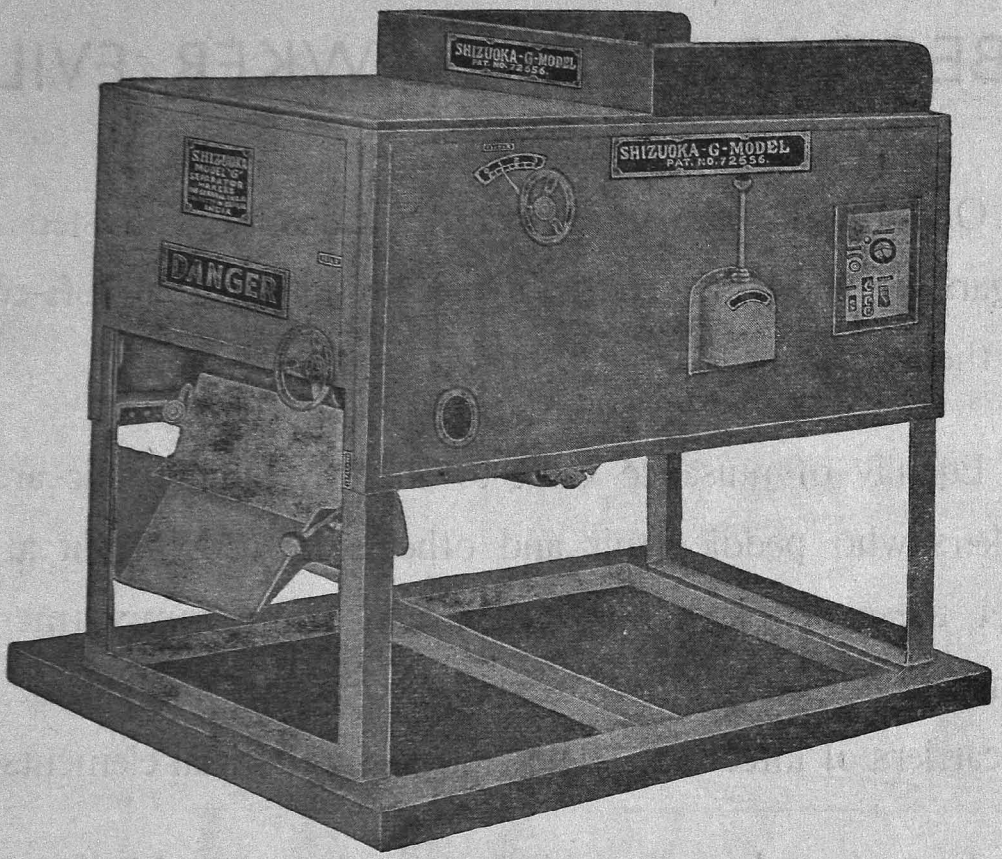

For safe and comfortable travel co-operate with the railway authorities in stamping out the twin evils of beggary and hawking in trains.

NEW, HIGH LUSTRE 'DULUX' ALUMINIUM

FOR PLANTATION FACTORIES

The new, high lustre 'Dulux' Aluminium is the answer to painting problems on plantations. A top quality synthetic resin based paint, 'Dulux' Aluminium has excellent durability under extreme weather conditions. It has a high and long lasting lustre and, when used over a proper primer, it guarantees complete protection to metal surfaces against rust and corrosion.

HISTORICAL NOTES

ON THE

EARLY DAYS OF THE PLANTING INDUSTRY OF

SOUTHERN INDIA

The history of introduction of planting into the Districts of Southern India still remains unwritten and I simply give below those notes published in the first edition of the Directory with a few additions which have come to my notice during the year.

The commencement of the European planting industry in South India was with coffee. The date when coffee was first introduced into India, probably from Abyssinia or Arabia, is unknown, but popular legend says it was brought from Mecca by a Moslem pilgrim named Baba-ud-din in 1600 to Chikmagalur, and that the hills on which he planted the seven seeds he brought, were named after him. Ukers, in his recently published book on coffee, states : ' A better authority gives the date as 1695.' He fails however to quote his authority, and as it is an authenticated fact that coffee seedlings were taken from Cannanore in 1696 to Kedawoeng in Java and planted in the garden of the Governor-General, William Outchoorn, the date 1695 would seem to be too late to fix for the introduction of the plant into India. The first plants introduced into Java were almost immediately afterwards destroyed by floods, and a second consignment of coffee plants was made from ' Malabar ' to Java by Henricus Zwaardenkroon in 1699 and became the progenitors of all *Arabica* coffee in the Dutch East Indies.

The next mention of coffee, which I have come across is in the *Letters from Malabar* written by the Rev. Jacob Visscher, Chaplain at Cochin, from December 1717 to December 1723. He writes :

' The coffee shrub is planted in gardens for pleasure and yields plenty of fruit, which attains a proper degree of ripeness. But it has not refined taste of the Mocha coffee . . . an entire new plantation has been laid out in Ceylon.'

In 1760 Jaoa Alberto Castello Bramo took to Rio Janeiro coffee plants from Goa and thus started the great Coffee industry of Brazil.

Although coffee is mentioned among the imports into Cochin by Adrian Moens in his Administration Report of 1781, the total export from Cannanore in 1799 was according to Buchanan in the Diary of his Journey from Madras through Mysore, Canara and Malabar, ' one box ' and in 1800 ' 6 chests and 6 maunds '.

The earliest reference to the planting of an estate, which I have found is contained in a letter written by the Abbe Dubois to Colonel Miller, Resident of Mysore, under date 15th September, 1805, which reads as follows :—

' About ten years ago, when I was in Baramahal, Colonel Read, Collector in that part of the country, undertook to make a large plantation at Trippatur by means of an American he sent for from the coast and to whom he gave a monthly pay of 25 pagodas. The plantation I saw many times had thriven well during the first year and promised success, but the manager proving a man without conduct, Colonel Read was soon disgusted of his services and dismissed him. At the same time having found no one to replace him and perceiving besides that the produce of the kind of cultivation would in no case equal the expenses necessary, in that part of the country, the plantation was suffered to perish.'

It was very shortly after this that the East India Company opened an experimental plantation at Anjarakandi, near Tellicherry under Mr. Murdock Brown to whom they handed it over in 1799. The coffee there is mentioned by Buchanan in 1800 as doing well but as not yet being in bearing.

Coffee was at this time cultivated on the Bababudin Hills and to be obtained in the Mysore and Bangalore bazaars at the time Seringapatam was taken in 1799. It later became a monopoly of the Mysore Durbar who took over from the ryot half his crop. In 1823 the Mysore Durbar rented to Messrs. Parry & Company its half share for Rs. 4,270 per annum for ten years.

Dr. Wallich and Mr. Gordon had begun coffee planting in Bengal in 1823 and Lord Amherst's Government was anxious to encourage the enterprise. On the 7th May, 1824, Government issued a Resolution as follows :

'As far as judgment can in such cases be formed, until trial be made, there appears to be abundant reason to conclude that the cultivation of coffee may be successfully prosecuted in this country on an extensive scale and that the article may indeed be produced at a cost considerably below that which the lowest price hitherto known in the market would amply reimburse, while at the same time there is scarcely anything of which the consumption is likely to experience so large as augmentation in the event of any material reduction in price.'

It proceeds to point out the necessity of those undertaking the enterprise having an assured tenure for a considerable period and although natives might be expected later to take up the work, in its early stages it was necessary to allow scope to European enterprise and intelligence.

In 1825 Capt. Bevan of the 27th Regiment, E.I.C., Madras Native Infantry, took over charge of the garrison at Manantoddy in North Wynaad and very shortly afterwards gave his attention to the introduction of the cultivation of coffee into the district. A few plants given him by 'Anjarakandi Brown' throve so well and proved so productive that he recommended the more general introduction of the plant into Wynaad, and Mr. W. Sheffield, Collector of Malabar, sent quantities of seed to be distributed among the native inhabitants. However, owing to the want of knowledge as to the cultivation necessary and neglect, that experiment proved a failure. Capt. Bevan writes however :

'I extended my plantation considerably while I remained in the station on ascertaining from impartial and good judges (especially Bishop Turner, who had tasted the coffee) that it possessed the flavour and aroma of the finest Mocha berries.'

What the extent of his plantation was, it is impossible to trace, but he would certainly seem to have been the pioneer of the industry on the Western Ghats. He left Manantoddy in 1831. Some time between 1830 and 1840 two members of the firm of Messrs. Parry & Company, passing Manantoddy on their way to the Bababudins were so struck with the coffee they found there, that at their suggestion the 'Pew' Estate was opened on the hill where the forest offices now stand, and before 1840 Messrs. Glasson, Richmond, Morris and others had opened estates nearby.

About 1830 Mr. Cockburn is stated to have commenced an estate on the Shevaroys. Major Bevan mentions that in 1839 he met Mr. Fischer at Salem, who had acquired several thousand acres for the purpose of opening on those hills.

It is often stated that 'Tom' Cannon first opened an estate near Chikmagalur in 1830, but I think investigation will show that it was some seven or eight years later and that the first European to actually plant coffee in Mysore was either Mr. Jolly of Messrs. Parry & Company or Mr. H. Stokes of the Mysore Commission. The latter in his Report, dated 19th May, 1838, says : 'I made a small plantation at Shimoga in August, 1835 and it commenced to bear last September.' Incidentally in the same Report appears the first reference, which I have found to, Borer, it states : 'In very dry seasons many of the trees die and snap off suddenly close to the ground.'

In 1843 Fred Green started planting in the Munzerabad District and two or three years later Fred Meppan commenced the Yemmay Doddi Estate near Kadur.

In 1840 Dr. Magrath, the Residency Surgeon at Mysore, sent coffee plants from there to Messrs. Lascelles & Pope on the Nilgiris, who opened the Hardathorai Estate at Kotagiri, and about the same time Mr. M. D. Cockburn of the Madras Civil Service opened the Balahardar Estate on the Kotagiri Ghat and in the year following Bonnahutti, commonly known as Hulical, was commenced.

In 1854 Mr. Fowler opened the first estate in Coorg a few miles from Mercara. In 1855 Mr. H. Mann and Mr. Donald Stewart opened on the Sampagi Ghat. Mr. G. M. Martin, the acting Superintendent of Coorg, in the course of his Report, dated 18th June, 1856, mentions that there were only two European planters then in the District, 'whose plantations have not yet come into full bearing'.

The first estate opened in the Nelliampathies was 'Chandramalla' in the early sixties. 'Sheirnelly', which still exists as a Rubber Estate, was opened in 1866.

Mr. A. W. Turner commenced opening in the Kanan Devans in 1879-80, but this is bringing us down to recent times.

To turn to tea. In 1832 Dr. Christie, a surgeon on the Madras establishment, was placed on special duty to conduct meteorological and geological inquiries in Southern India ; in a very short time he applied for a grant of land in the Nilgiris as he desired to experiment with the culture of tea, coffee and mulberry and at the same time for the exclusive privilege of making ice for sale in the Presidency. He died in November of that year and of his tea plants three were given to the Commandant of Ootacamund, Colonel Crewe, who put them down in the garden of Crewe Hall, others were distributed to various parts of the hills for trial.

The authorities at Kew had as long ago as 1788 urged that the planting of tea should be undertaken in India and in 1834, unaware that the plant was indigenous in Assam, Lord William Bentinck sent a commission to China to obtain seed and expert tea makers ; the result was the distribution of plants to many parts of Southern India for experiment. Those on the Nilgiris were planted chiefly at the experimental farm at Kaity, cared for by Colonel Crewe and M. Perrottet, a French botanist, and were reported in 1839, to be growing luxuriantly, but it was another fifteen years before attempts were made to grow tea on the Nilgiris on a commercial scale.

That they did well elsewhere is shown from the following quotation from Major Bevan, who wrote in 1839 :

' Since I left Wynaad, the cultivation of the tea plant has been introduced and with very reasonable prospect of success. However the discovery of the tea growing wild in Assam renders its culture in Wynaad less important than it would otherwise have been.'

And the Report of General Cullen, Resident of Travancore, who, writing in October, 1859, states :

' The tree thrives well in Travancore territory, both at the level of the sea and altitudes of 1,800 and 3,200 feet. I first met with it in the coffee plantation of Mr. Huxam in the year 1841, on the route from Quilon to Courtalam, at a factory called Caldoorty, about forty miles inland and six or seven hundred feet above the sea. There are some ten or fifteen trees from 20 to 25 feet high ; they were, I believe, introduced during the Government of Mr. Lushington, who, I believe, also introduced those formerly at Kaity in the Nilgiris. I procured plants from Mr. Huxam and put them down in an experiment spice garden which I established some twelve years ago at 1,800 feet on a hill in the south of Travancore near Oodagherry. They are now trees of 20 to 30 feet high, growing vigorously ; and I have four hundred plants procured from their seed growing on another hill near the Tinnevelly frontier, at an elevation of 3,200 feet. There can be no doubt therefore of the facility of its introduction, although from the moderate altitude and great atmospheric moisture of the localities hitherto selected, they may possibly be considered to grow more luxuriantly than is desirable ; but which, if a defect at all, can probably be easily remedied by selecting ground more to the eastward, at greater altitudes, and with less humid climate.'

The first company to be formed was the ' Assam Company ' founded in 1839, but it was not till 1852 that it was proved that tea from India could compete in the London market with that produced in China. From that date development in North India was rapid and in 1868 exports reached 8,000,000 lb.

In the South however very little progress was made, although tea planting on a commercial scale was commenced on the Nilgiris in 1853 and taken up in earnest in Ceylon in 1875. Thirty years ago the area under tea did not probably exceed 3,000 acres on the Nilgiris, one estate of some 250 acres in the Wynaad, 315 acres on the Kanan Devans, perhaps, 5,000 acres in the rest of Travancore. Of the 116,000 acres in Southern India at least 105,000 have been planted since 1893.

Until the end of the nineteenth century rubber cultivation in India had been little more than experimental. in the North trials had been made with *Ficus elastica* in the South with *Manihot glaziovii* (Ceara), but neither Iwere commercially important. A few trees of the para variety (*Hevea Brasiliensis*) had been grown at Plantation House, Calicut, and on the Punnur Estate at the foot of the Tambracherry Ghat. It was not till 1902, that the Periyar Estate at Thattakad in Travancore was opened and within the next fifteen years practically all the present area was planted.

H. W.

15th November, 1927.

THE PLANTING DIRECTORY OF SOUTHERN INDIA

The first attempt to compile a directory of estates with their cultivated area was as an appendix to the Book of Proceedings in 1896.

The first issue of "The Planting Directory of Southern India" issued by the Manager of "Planting Opinion", was published in 1896. The second edition followed in 1902. The other editions are as follows :

Third Edition		..	1924
Fourth	,,	..	1925
Fifth	,,	..	1927
Sixth	,,	..	1928
Seventh	,,	..	1930
Eighth	,,	..	1932
Ninth	,,	..	1934
Tenth	,,	..	1937
Eleventh	,,	..	1940
Twelfth	,,	..	1948
Thirteenth	,,	..	1951
Fourteenth	,,	..	1955
Fifteenth	,,	..	1956
Sixteenth	,,	..	1960
* Seventeenth	,,	..	1965

While this book has been in the press several cases of transfer from one estate to another have occurg red. Some of these took place after Section I had been printed off. As far as possible the changes have been incorporated in Section VI.

I take this opportunity of thanking all those, especially, the Tea, Coffee and Rubber Boards, the District Planters' Associations, and Mr. W. P. A. R. Nagarajan of Pattiveeranpatti, who have assisted in compilin this edition.

December 31, 1965.

Secretary & Adviser, UPASI

---

* This Edition was originally scheduled for issue as the 1964 Edition, but owing to delay in compilaton and printing, it was not possible to publish it during 1964. All known changes up to the end of 1965 have been incorporated in this Edition, which is now named the 1965 Edition. The delay is regretted.

THE ROTORVANE CONTINUOUS TEA ROLLER

GIVE YOUR TEA THE STAMP OF UNVARYING QUALITY.

A product of P.E.W., the ROTORVANE has been developed through successful research at the Tocklai Experimental Station. It enables tea manufacturers to produce stronger liquors and briskness that the buyers now look for.

Here are more exclusive facts about the

ROTORVANE

- ★ Continuous operation makes the Rotorvane ideal for C.T.C.
- ★ High throughput : rolls 4 times as much withered leaf per hour as a conventional machine.
- ★ Higher percentage of primary grades with stronger liquors.
- ★ Low power consumption and labour costs.
- ★ Fewer machines permit more detailed supervision.
- ★ Spare parts, if required, are easily available.

Section I

PREFACE

The following pages give the particulars of Estates in South India which have a planted area of 4.05 hectares (i.e. 10 acres) or more of Tea, or 10.12 hectares (i.e. 25 acres) or more of Coffee, Rubber, Cardamoms, Pepper or Cinchona. The planted areas of Tea, Coffee and Rubber given in the following pages are almost exhaustive ; those of the minor products—Cardamom, Pepper and Cinchona are not. These are arranged in alphabetical order of the names of their proprietors, and are grouped under the following State and District Headings :

MADRAS
- Anamallais
- Kanyakumari
- Madurai
- Nilgiris
- Nilgiri-Wynaad
- Shevaroys (Salem)
- Tirunelveli

MYSORE
- Coorg
- Mysore

KERALA
- Central Travancore & Mundakayam
- Cochin
- Kanan Devans
- Malabar
- Malabar-Wynaad
- South Kerala

ANDHRA
- Visakhapatnam

The names of the Agents, Secretaries, etc., of Planting Companies are given in *italics* under the name of the Company.

The vernacular names of estates, if different from their usual names, are given in *italics* under those names.

In the hectare statement relating to Minor Products, the following abbreviations are used :—C. for Cardamoms ; P. for Pepper and Cin. for Cinchona.

Information is provided in respect of the following :—

District Association to which each estate belongs, whether the estate or member subscribes to the United Planters' Association of Southern India, and whether the estate owns a factory. (T. for Tea Factory and R. for Rubber Factory.)

The following is a key for the abbreviations used in Column : ' Member of '..

U : United Planters' Association of Southern India.

MADRAS

Anamallais :
- D : Anamallai Planters' Association (APA).
- M : Association of Planters of the State of Madras (APM).
- DM : APA and APM.

Kanyakumari:
- D : Kanyakumari Planters' Association (KPA).
- M : Association of Planters of the State of Madras (APM).
- DM : KPA and APM.

Madurai :
- D : Anamallai Planters' Association (APA).
- M : Association of Planters of the State of Madras (APM).
- DM : APA and APM.

Nilgiris :
- D : Nilgiri Planters' Association (NPA).
- M : Association of Planters of the State of Madras (APM).
- DM : NPA and APM.

Nilgiri-Wynaad :
- D : Nilgiri-Wynaad Planters' Association (NWPA).
- M : Association of Planters of the State of Madras (APM).
- DM : NWPA and APM.

Shevaroys (Salem) :
- D : Shevaroy Planters' Association (SPA).
- M : Association of Planters of the State of Madras (APM).
- DM : SPA and APM.

Tirunelveli :
- D : Anamallai Planters' Association (APA).
- M : Association of Planters of the State of Madras (APM).
- DM : APA and APM.

MYSORE

Coorg :

D	:	Coorg Planters' Association (CPA).
M	:	Mysore State Planters' Association (MSPA).
DM	:	CPA and MSPA.

Mysore :

I	:	Indian Planters' Association, Mysore (IPAM.)
M	:	Mysore State Planters' Association (MSPA)
MI	:	MSPA and IPAM.

KERALA

Central Travancore & Mundakayam :

C	:	Central Travancore Planters' Association (CTPA).
M	:	Mundakayam Planters' Association (MPA).
A	:	Association of Planters of Kerala (APK).
CA	:	CTPA and APK.
MA	:	MPA and APK.

Cochin :

D	:	Anamallai Planters' Association (APA).
N	:	Nelliampathy Planters' Association (NPA).
A	:	Association of Planters of Kerala (APK).
NA	:	NPA and APK.
DA	:	APA and APK.

Kanan Devans :

D	:	Kanan Devan Planters' Association (KDPA).
A	:	Association of Planters of Kerala (APK).
DA	:	KDPA and APK.

Malabar :

D	:	Malabar Planters' Association (MPA).
N	:	Nelliampathy Planters' Association (NPA).
A	:	Association of Planters of Kerala (APK).
DA	:	MPA and APK.
NA	:	NPA and APK.

Malabar-Wynaad :

D	:	Wynaad Planters' Association (WPA).
A	:	Association of Planters of Kerala (APK).
DA	:	WPA and APK.

South Kerala :

A	:	Association of Planters of Kerala (APK).

An attempt has been made to classify coffee acreage into ' Arabica ' and ' Robusta '. The acreage figures have been taken from the Coffee Board records and from the returns submitted by Members. It is likely that some mistakes have crept in. These will be corrected in the next edition, if these are pointed out to the Secretary and Adviser, UPASI, Coonoor-1.

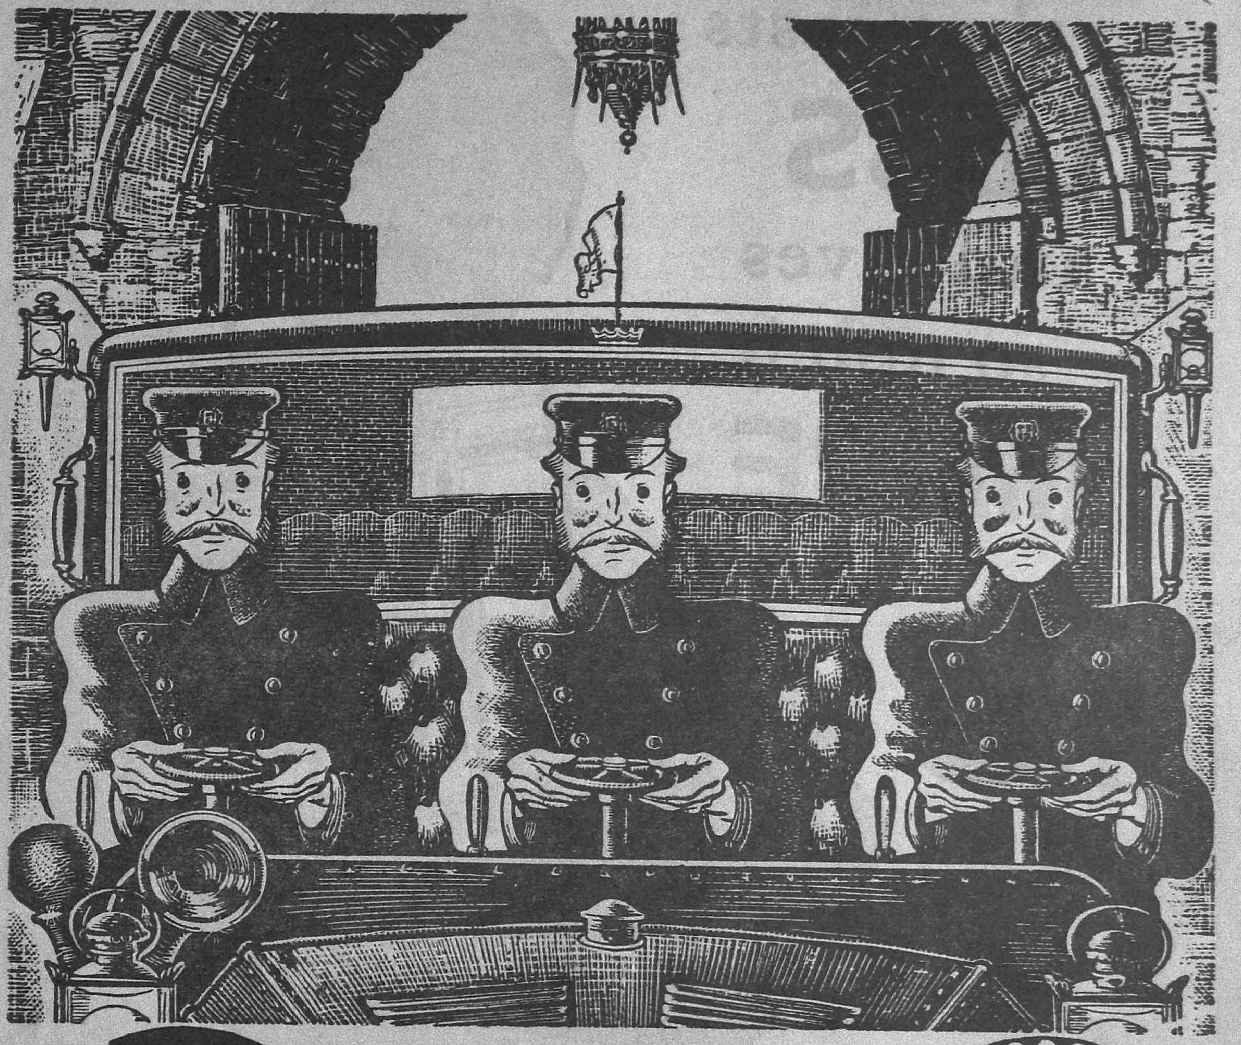

In a few instances, the postal address is not given, as this information is not available in the records of the Commodity Boards.

The following are some of the abbreviations used in Section I.

P.—Post Office.
T.—Telegraph Office.
PT.—Post and Telegraph Office.
O.A.—Out Agency.
R.S.—Railway Station—The figures in brackets denote the distance in Kilometres from the estate to the Railway Station.

Secretary and Adviser, UPASI

Care Can be Carried to excess...

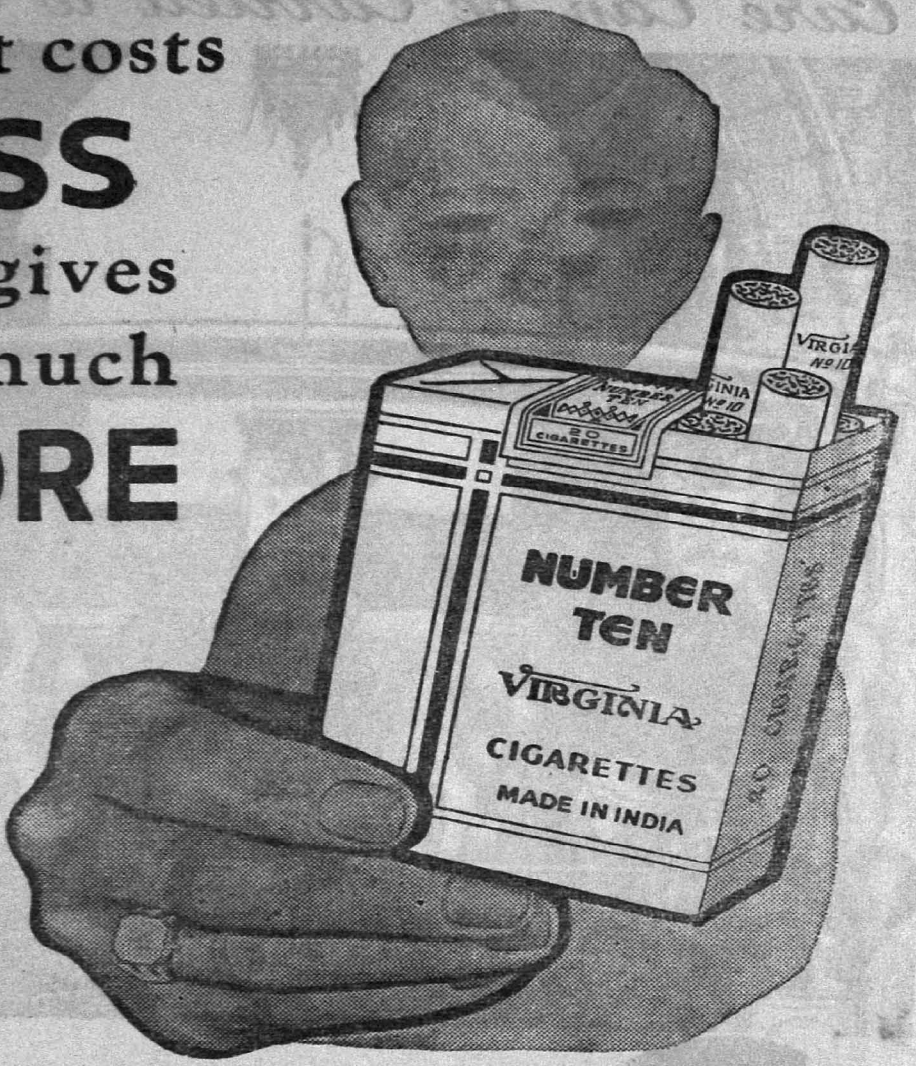

Castrol
MOTOR OIL

"……but you can't be too careful about oil, which is why the wisest motorists and engineers go to the people who specialise in lubrication."

Castrol

OILS

iii

This is the cigarette that costs **LESS** and gives so much **MORE**

25 nP. for 10
50 nP. for 20

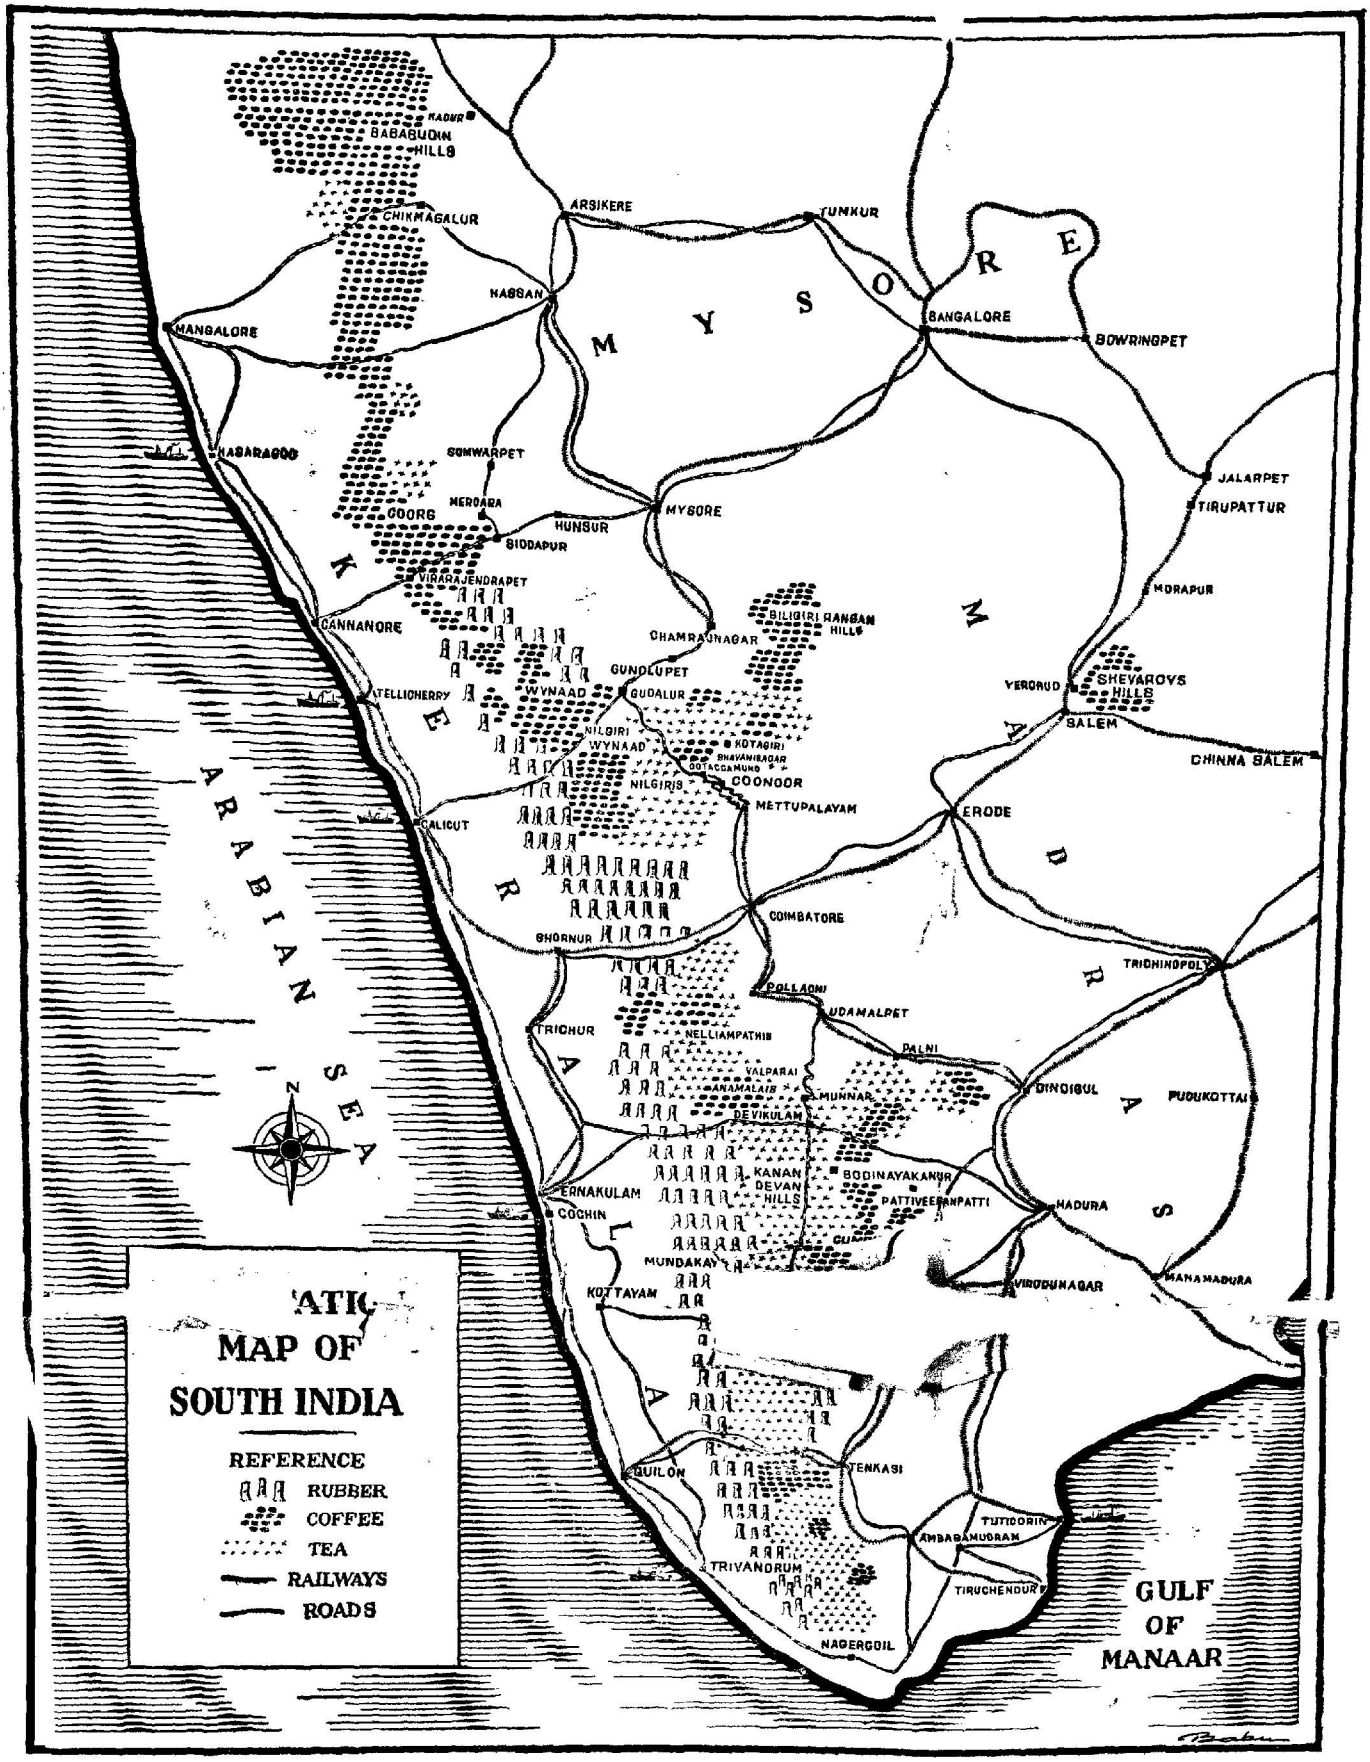

OPEN a factory fresh pack of these popular cigarettes.

LOOK at the Golden Virginia tobaccos used in this choice blend.

TASTE the superior quality of the smoke.

JUDGE how these cigarettes compare even with higher priced brands.

TEA BOARD

The Tea Board was constituted in 1954 under the powers vested in Government by Section 4 of the Tea Act, 1953. The Board consists of an Official Chairman, six representatives of the Governments of the principal tea growing States, thirteen representatives of the owners of tea estates and gardens and growers of tea, seven representatives of persons employed in tea estates and gardens, five representatives of dealers, three representatives of consumers and other interests and two Members of Parliament.

The committees set up within or under the aegis of the Board consist of an Executive Committee, Licensing Committees, one each for North and South India, an *ad hoc* Committee for Tea Research Liaison, an Advisory Committee for the Regional office in South India, a Tea Chest Committee, a Committee for Tea Promotion, a Labour Welfare Committee, an *ad hoc* Committee for Small Growers and an Advisory Committee for improvement of tea culture in the Punjab. The function of the Board is to promote, by such measures as it thinks fit, the development of the tea industry under the control of the Central Government. The measures may include (*a*) regulating the production and extent of cultivation of tea, (*b*) improving the quality of tea, (*c*) promoting co-operative efforts among growers and manufacturers of tea, (*d*) undertaking or assisting technological and scientific research, (*e*) assisting in the control of pests and diseases in tea, (*f*) regulating the sale and export of tea, (*g*) training in tea tasting and fixing grade standards, (*h*) increasing consumption of tea in India and elsewhere, (*i*) registering and licensing of manufacturers, brokers, tea waste dealers and persons engaged in the business of blending of tea, (*j*) collecting and publishing statistics, and (*k*) securing better working conditions for workers.

Since its establishment in 1954 the Tea Board has rendered valuable assistance to the South Indian tea industry both directly and through the UPASI. In the matter of allocation of iron and steel the UPASI has been recognised by the Tea Board as the sponsoring authority for South Indian tea growers. UPASI is also authorised to receive and recommend to the Tea Board in fit cases, applications for imports of tea machinery and spares from UPASI members.

Grower representatives on the Board are appointed by Government from out of panels of names furnished by important associations of growers.

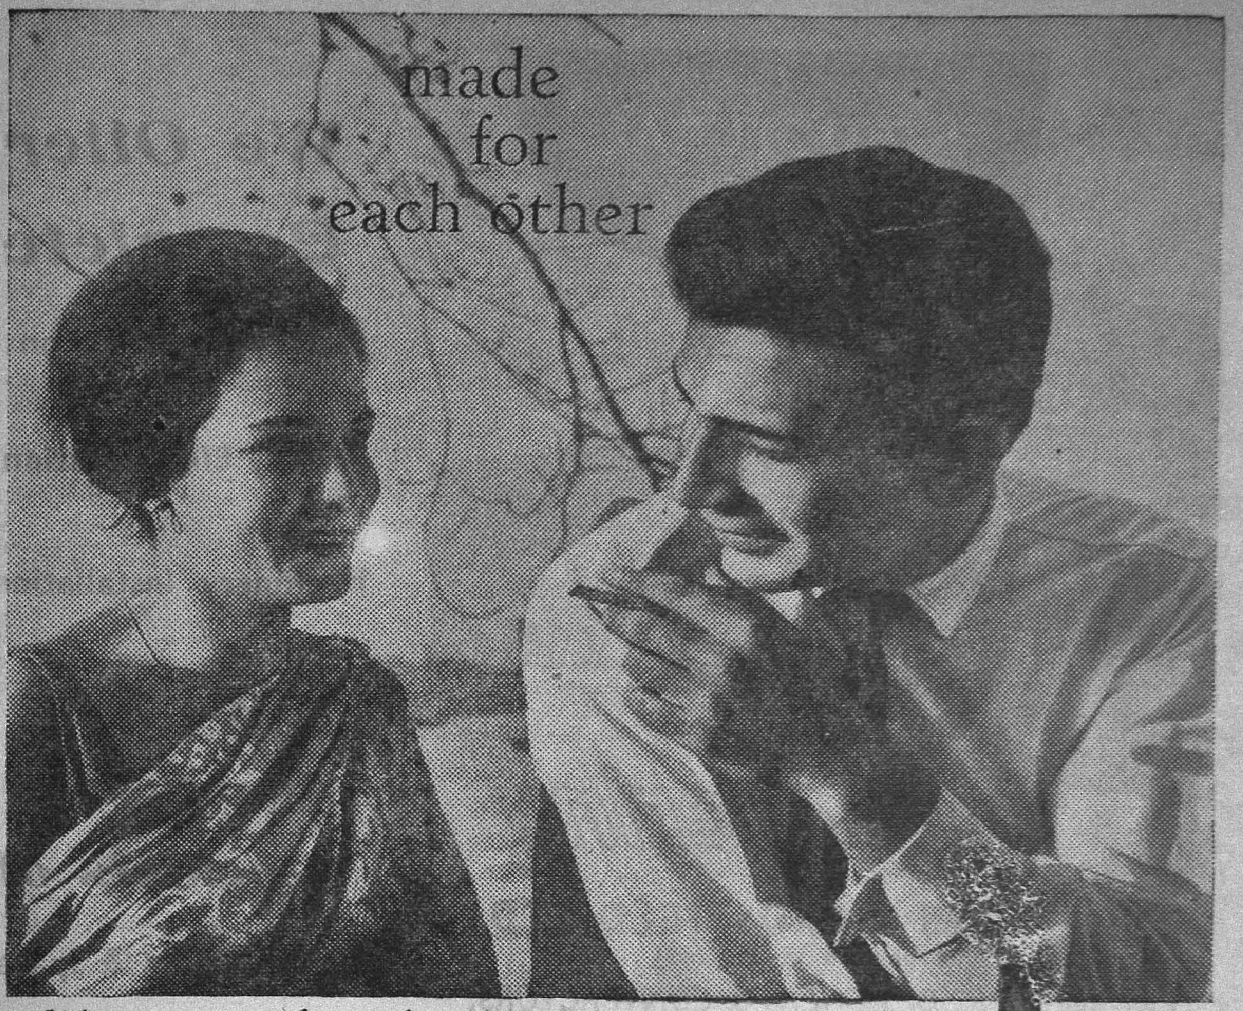

COFFEE BOARD

The Coffee Board (replacing the former Indian Coffee Market Expansion Board) was set up in 1954 in terms of Section 4 of the Coffee Act as amended by the Coffee Market Expansion (Amendment) Act of 1954 The Board consists of a Chairman appointed by the Central Government, three representatives of the Governments of the principal State Governments concerned, twelve representatives of the coffee growing industry, three representatives of the coffee trade interests, one representative of coffee curers, four representatives of labour, three of consumers, three of special interests, and three Members of Parliament. The functions of the Board include the registration of owners of coffee estates, the control of the sale, export and re-import of coffee, and the licensing of curing establishments.

Grower representatives on the Board are appointed by Government from out of Panels of names furnished by important associations of growers from amongst the owners of coffee estates once in every three years.

RUBBER BOARD

The Rubber Board, replacing the former Indian Rubber Board, was set up in 1954 in terms of Section 4 of the Rubber Act of 1947 as amended by the Rubber (Production and Marketing) Amendment Act, 1954. The Board consists of a Chairman appointed by the Central Government, three representatives of the State of Madras (two of whom shall be persons representing rubber producing interests), seven representatives of the Government of Kerala (five of whom shall be persons representing rubber producing interests), ten members nominated by the Central Government, of whom two shall represent the manufacturers and four labour, and three Members of Parliament. Representatives of the States of Madras and Kerala include large growers' representatives who will be elected from large growers in the respective States. Small grower members will be nominated by the Central Government. The functions of the Board include undertaking and encouraging scientific, technological and economic research, supply of technical advice to growers, collection of statistics, improving marketing and advising the Central Government on all matters relating to the development of the rubber industry, including import and export of rubber.

filter and tobacco perfectly matched

What tobacco men call marriage—the marriage of the right tobacco with the right filter—is what makes Wills Filter Tipped extra special. A filter cigarette as good as Wills is not just a good cigarette with a filter at one end—it is a good *filter cigarette*. The fine tobaccos in Wills are specially blended to match the filter, enhance the taste.

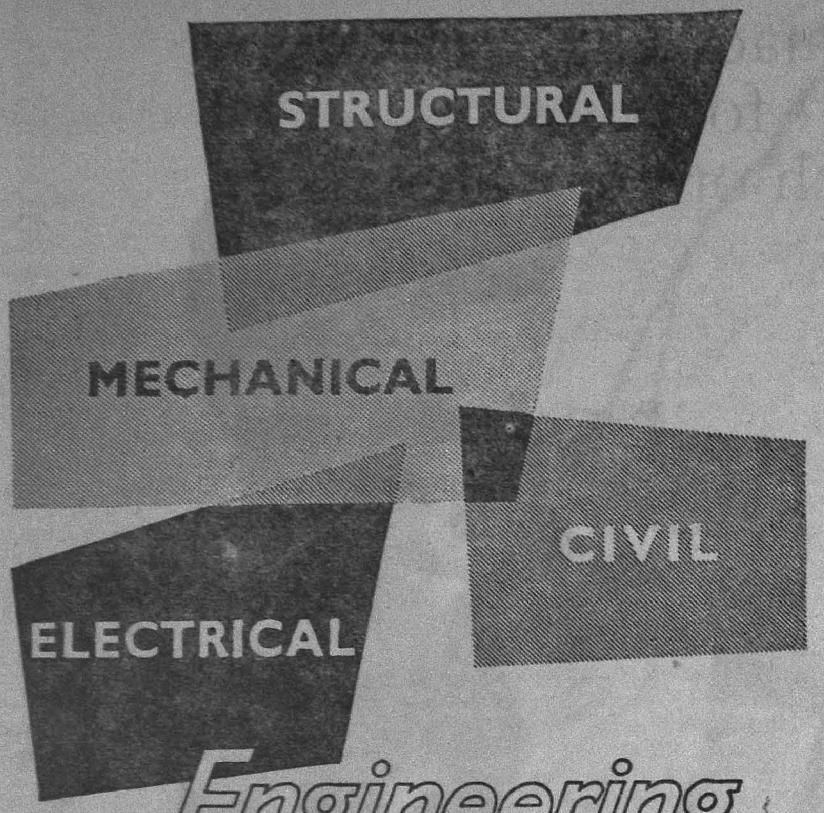

That is why you will find Wills Filter Tipped so satisfying. So many discriminating smokers already have.

Changes in Capitalisation: In March 1954, the Company capitalised Rs. 19,52,300 out of the reserve fund and issued, 1,95,230 bonus shares of Rs. 10 each to the Ordinary shareholders in the proportion of one Bonus Share for every two shares held.

In August 1956, the Company issued 29,285 6% (tax-free) Redeemable Cumulative Preference Shares of Rs. 100 each at par carrying preferential claim to dividend and repayment of capital in priority to the Ordinary Shares, to the existing Ordinary Shareholders of the Company in the proportion of one new Preference Share for every 20 Ordinary Shares held by them as on 1st October 1956, ignoring fractions, if any, which have only been partly subscribed. These Preference Shares are Redeemable at par on 31st December, 1968.

In March 1960, 1,17,138 Right Equity Shares of Rs. 10 each were offered to the existing Equity shareholders in the ratio of one such share for every five Equity Shares held by them as on 10th March 1960 out of which 1,14,022 Right Equity shares were subscribed.

In May, 1961, the Authorised Capital was increased from 1,50,00,000 to Rs. 2,50,00,000 in 17,50,000 shares of Rs. 10 each and 75,000 shares of Rs. 100 each. Also the existing Redeemable Cumulative Preference Shares were made 9% taxable instead of 6% (tax-free).

In August 1961, the Company capitalised Rs. 17,49,400 out of the Reserve Fund and issued 1,74,914 Bonus shares of Rs. 10 each to the Equity shareholders registered in the books of the Company as on 1-8-1961 in the proportion of one bonus share for every four Equity Shares held.

In October, 1962, the Company issued 29,156 9.3% (free of Company's tax but subject to deduction of tax at source) 'B' Redeemable Cumulative Preference Shares of Rs. 100 each at par carrying preferential claim to dividend and repayment of capital along with existing 9% Redeemable Cumulative Preference shares in priority to the Ordinary Shares, to the existing Ordinary shareholders of the Company in the proportion of one 'B' Redeemable Cumulative Preference Shares held by them as on 29th September, 1962, ignoring fraction, if any, which have only been partly subscribed. The balance unsubscribed shares are being proposed to be offered to the public shortly. These Preference Shares are Redeemable at par on 31st December, 1973.

In November, 1963, the Company capitalised Rs. 21,86,660 out of the Reserve Funds and issued 2,18,666 Bonus Shares of Rs. 10 each to the Equity shareholders registered in the books of the Company as on 20th November 1963 in the proportion of one Bonus Share for every four Equity Shares held.

Originally, the Company was incorporated in the year 1945 in the name of 'The Jay Shree Tea Gardens Ltd.' Looking to the diverse nature of the industrial activities of the company, the name was changed to 'Jay Shree Tea & Industries Ltd., on and from 27th June, 1960. The Company owns six tea estates, namely: Sholayar, Kallyar and Merchiston in South India and Towkok, Nahor Habi, Risheehat, Dewan Group in North India. The Company during December 1963 has further acquired a tea estate known as Bon Ami Estates in Kerala (South India). The Estate consists of 268.95 hectares under Tea.

It owns two Plywood factories. The Company installed plants to manufacture 100 tons of Superphosphate Fertilisers and 50 tons Sulphuric Acid per day in 1961 at Khardah near Calcutta. The Company is also doing business of purchase, sale and export of tea to foreign countries and sales within India. The Company owns Tea Warehouses in Calcutta where it stores its teas and also acts as warehouseman for storing teas of other producers.

Auth. Cap. : Rs. 15,00,000 (1,50,000 Ordinary Shares of Rs. 10 each). *Issd. Cap.* : Rs. 12,00,000 (1,20,000 Ordinary shares of Rs. 10 each).

Changes in capitalisation : Originally, the Authorised Capital was Rs. 10,00,000 in 1,00,000 shares of Rs. 10 each and 10,000 Equity Shares were issued with the Paid-up Capital at Rs. 1,00,000. In February, 1937, the Paid-up Capital was increased from 1,00,000 to Rs. 1,70,000 by the issue of 7000 Equity Shares of Rs. 10 each at a premium of Rs. 19 per share in the proportion of 7 shares for every ten Equity Shares held. In 1938 the Paid-up Capital was increased from Rs. 1,70,000 to Rs. 2,70,000 by the issue of 10,000 Equity 4hares of Rs. 10 each at a premium of Rs. 10 per share on a pro rata basis. In September, 1942, the Paid-up Capital was increased from Rs. 2,70,000 to Rs. 4,00,000 by the issue of 13,000 Equity Shares of Rs. 10 each at a premium of Rs. 17.50 per share, in the proportion of one share for every 2 Equity Shares held. The issue was made for acquiring Barwood, Parkglen and Kinsale Estates. In October, 1945, the authorised capital of Rs. 10,00,000 was sub-divided into 60,000 Equity Shares of Rs. 10 each and 40,000-5% tax-free Cumulative Preference Shares of Rs. 10 each. The Paid-up Capital was increased from Rs. 4,00,000 to Rs. 6,00,000 by the issue of 20,000-5% tax-free Cumulative Preference Shares of Rs. 10 each at par in the proportion of one Preference Share for every two Equity Shares held. On 15th June, 1953, the company refunded the entire Preference Capital of Rs. 2,00,000 reducing the Paid-up Capital to Rs. 4,00,000. In August 1958, the authorised Capital was increased from Rs. 10 lakhs to Rs. 15 lakhs by the creation of 40,000 Equity Shares of Rs. 10 each and 10,000-5% Cumulative Preference Shares of Rs. 10 each and a sum of Rs. 4 lakhs was capitalised out of Reserves for the issue of 40,000 bonus Equity shares of Rs. 10 each to holders as on 30th August 1958, in the proportion of one bonus Equity share for every Equity share held, increasing the Issued and Subscribed Capital to Rs. 8,00,000. In September 1962 the Company issued 40,000 Equity Shares of Rs. 10 each at par as rights to the existing shareholders in the proportion of one new share for every two shares held. The Authorised Capital was reclassified into 1,50,000 Equity shares of Rs. 10 each and the Subscribed Capital raised to Rs. 12,00,000 made up of 1,20,000 Equity shares of Rs. 10 each.

Estates : Chulika and Poonoor.

Midland Rubber & Produce Co. Ltd.—*Founded*: 1937. *Tel. Add.*: 'Thom' Alleppey. *Phone Nos.*: 3625 & 3626. *Reg, Off.*: W-19/440, Beach Road, Alleppey, Kerala State. *Dirs.*: A. V. Thomas (*Chairman*), A. Gopal Rao, R. Sundram Iyer, S. P. Ramaswamy Iyer, T. T. Rathnasabapathy Pillay, J. Thomas, M. S. Seshadri and P. R. Subramanyam. *Fin. year*: 31st March. *Annual Meeting*: September.

Auth. Cap.: Rs. 1,00,00,000 (3,75,000—6% Preference Shares of Rs. 10 each—Rs. 37,50,000 and 6,25,000 Equity Shares of Rs. 10 each—Rs. 62,50,000). *Cap. Issd.*: Rs. 57,70,000 (1,72,000—6% Preference Shares of Rs. 10 each—Rs. 17,20,000 and 4,05,000 Equity Shares of Rs. 10 each—Rs. 40,50,000).

Changes in capitalisation: Originally the Authorised Capital was Rs. 15,00,000 in 1,50,000 Equity Shares of Rs. 10 each and the Paid-up Capital of Rs. 11,85,000 in 1,18,500 shares of Rs. 10 each. In April 1943 the authorised capital was increased from Rs. 15,00,000 to Rs. 30,00,000 by the creation of 1,50,000 Equity Shares of Rs. 10 each and the paid-up capital to Rs. 27,00,000 by the issue of 1,51,500 shares of Rs. 10 each at a premium of Rs. 5 per share to holders as on 20-5-1943 at 5 new shares for every 4 shares held. In May 1944 the Authorised Capital was increased from Rs. 30,00,000 to Rs. 75,00,000 by the creation of 75,000 Equity Shares of Rs. 10 each and 3,75,000—6% Tax-free Cumulative Preference Shares of Rs. 10 each and the Paid-up Capital to Rs. 61,40,000 by the issue of 3,44,000 Preference Shares of Rs. 10 each at a premium of 25 P. per share to holders as on 3-6-1944 at 5 Preference Shares for every 4 Equity Shares held. The Paid-up Capital was reduced to Rs. 44,20,000 by refunding a sum of Rs. 5 per share on the Preference Shares (Rs. 2.50 to holders as on 5-8-1950 and a further Rs. 2.50 to holders as on 31-3-1952). The resultant Preference Shares of Rs. 5 each were consolidated into shares of Rs. 10 each. In 1958 the Authorised Capital was increased from Rs. 75,00,000 to Rs. 1,00,00,000 by the creation of 2,50,000 Equity Shares of Rs. 10 each and a sum of Rs. 13,50,000 was capitalised out of the share premium account and General Reserves for the issue of 1,35,000 bonus Equity Shares of Rs. 10 each to holders as on 15-7-1958 in proportion of 1 Bonus Share for every 2 Equity Shares held—increasing the Paid-up Capital to Rs. 57,70,000.

PLANTING ASSOCIATIONS, AGRICULTURAL BOARDS, DEPARTMENTS ETC.

A. THE UNITED PLANTERS' ASSOCIATION OF SOUTHERN INDIA (Founded 1893)

(*Registered under the Societies Registration Act* 1960.)

HEADQUARTERS OFFICE : ' Glenview ', P.O. Box No. 11, Coonoor, The Nilgiris.

TELEGRAPHIC ADDRESS : ' Upasi ', Coonoor, *Phone Nos.* : 2261, 2302, 2445, 2489 & 2404.

The Association was founded as the result of a Conference between the different Planters' Associations held at Bangalore in 1893. The first General Meeting was held at the same place in 1894. The chief object for which it was established was to promote and protect, in all parts of the world, the interest of the various planting industries in Southern India.

Up till 1937, the Membership consisted of Incorporated District Planters' Associations and companies, firms and persons connected with and interested in planting. From April 1937, the Membership was reconstituted so as to make the Association mainly an Association of Proprietors, and the Membership consisted of three categories, namely, Ordinary Members, Association Members and Firm Members. All work connected with the three main products were controlled by members representing those products, and the Association was divided into three Sections :

(*a*) The Tea Product Section,

(*b*) The Rubber Product Section ; and

(*c*) The Coffee and Minor Products Section.

each of which had its own Chairman and Committee.

To deal with matters affecting the Plantation Industry as a whole, there was an Executive Committee composed of representatives of the three Sections, the President and Vice-President, and co-opted members.

With effect from 1st April 1955, the constitution of the UPASI was once again changed in such a way that it became a federation of the four State Associations of Madras, Travancore-Cochin, Mysore and Coorg. The State Associations are autonomous bodies dealing with matters pertaining to their respective territories, and the UPASI is a central co-ordinating and advisory body. There are now six categories of direct membership viz., Estate Members, Small Estate Members, Association Members, Firm Members, Retired Planter-Members and Honorary Life Members. There is an Executive Committee primarily to look after administrative and labour relations matters, and it is composed of representatives of the four State Associations and Small Estate Members ; and a Planting Committee primarily to look after product-wise matters which were formerly dealt with by the three Product Section Committees. The Planting Committee also is composed of representatives of State Associations and Small Estate Members.

With the re-organisation of the States in 1956, the Coorg and Mysore Planters' Associations were merged into the Mysore State Planters' Association. With this merger, the number of State Planters' Associations became three.

In December 1957, another change in the constitution of UPASI took place with the abolition of the Planting Committee. This gave place to three separate Product Section Sub-Committees, one each for Tea, Coffee and Rubber. The Tea Product Sub-Committee was vested with plenary powers in the administration of the Tea Scientific Department.

At the same time, a Small Growers' Sub-Committee irrespective of product-wise representation, was formed.

At the Budget General Meeting of the Association held on 29th March, 1965, certain amendments to Rules were adopted providing for the method of election of nine representatives to the Executive Committee Rule 17 (1) (iii). This amendment took into consideration the number of small and large growers and their acreages.

The Constitution was further amended at the Annual General Meeting in September, 1965, to provide for the appointment of a Working Committee, if and when considered necessary. This Committee has now been appointed.

The Association is represented in London by the South Indian Association in London. Since the institution of the new Tea, Coffee and Rubber Boards, the Association is not directly represented on these bodies but members of the Association have been elected or appointed to the seats allotted to growers.

Industrial Relations Officer : A. E. ANTONY.
Information Officer : S. V. NARAYANAN.
Accountant : K. RAGHUPATHY.
Statistical Officer : P. J. JOHN.
PA to Secretary & Adviser : C. SANKARANARAYANAN.

SCIENTIFIC DEPARTMENT

The Association runs a Tea Scientific Department.

With a capital grant of Rs. 16,00,000 from the Tea Board, a Central Tea Research Station has been established in Cinchona, Anamallais. The Chief Scientific Officer and his staff have now moved to the Anamallais where a full-fledged laboratory is functioning.

There is a Sub-Station functioning at Vandiperiyar, where the Officer-in-Charge is Dr. G. N. Rao, Agronomist.

The Tea Experiment Station at Devarshola in the Nilgiri-Wynaad District will shortly be closed and the Officer-in-Charge, Dr. K. Raman, Soil Chemist, will be moving to Anamallais.

Cinchona, where the Central Research Station is established is 9 miles from Valparai in the Anamallais. The telegraph office is Valparai (Coimbatore Dt.)

Chief Scientific Officer	Dr. K. S. Venkatramani, M.SC., PH.D., F.B.S., F.R.H.S., F.L.S.
Plant Pathologist	Dr. C. S. Venkata Ram, M.SC., M.S. (Minn.), PH.D., F.B.S.
Soil Chemist	Dr. K. Raman, M.SC., PH.D.
Entomologist	Dr. G. N. Rao, M.A., PH.D. (Lond.).
Tea Technologist	T. N. Ramakrishnan, M.SC.
Research Assistant, Botany	T. S. Padmanabhan, M.SC.

PLANTERS' CHRONICLE

The Association issues a journal, *The Planters' Chronicle*, on the 1st and 15th of every month, and copies are distributed free to all planters who are members of the Association and to many scientific bodies throughout the world. Started in 1906, it is edited by the Secretary & Adviser, UPASI, and published in Madras.

UPASI BENEVOLENT ASSOCIATION

The above Benevolent Association was registered under the Societies' Registration Act of 1860, on the 17th December 1953. The funds of the Association are to be applied to the relief of any member of UPASI, or past member, or dependent relation of such member, where the need for relief has been brought about through good and sufficient cause.

UPASI BUYING AGENCY

Other activities of the Association include a Buying Agency Department. The Buying Agency obtains, by co-operation, special terms in return for prompt payment.

UPASI SPORTS CLUB

Since its revival in 1949, the UPASI Sports Club has been playing an important role and the competitions held every year just before the UPASI business week in August/September are becoming more and more popular. The Executive Committee for 1965-66 consists of :

W. C. F. SIMMONDS ..	*President.*
J. W. LAWRENCE. ..	*Vice-President.*
C. H. WOOTTON ..	*Committee Members.*
H. A. BHOJRAJ ..	
V. SRINIVASAN ..	
G. A. BRODIE ..	
P. C. MATHEW ..	*Hon. Secretary.*
The Secretary & Adviser, UPASI ..	*Hon. Treasurer.*

MYSORE

MYSORE STATE PLANTERS' ASSOCIATION

Office : Post Box No. 18, Chikmagalur, Mysore State.
Tel. Add. : ' MSPA '.
Phone No. : 86.
Chairman : D. Sivappa.
Vice-Chairman : M. D. Narayan.
Committee Members : C. S. Prabhakar, P. A. Menon, K. B. Somana, M. S. Krishnappa, A. M. Basave Gowda, K. B. Chengappa and Tika A. S. Bedi.
Secretary : H. K. Chandrasekhara.
Asst. Secretary : K. Ramdas.

History :

As a result of the reorganisation of States, Coorg and the plantation district of Madras in the Billigiri Rangan Hills were amalgamated with Mysore, thus bringing these plantation areas under one administration. It was felt that the protection of plantation interests in the new Mysore State could only be effectively achieved by the formation of a strong, well-founded and well-advised State Planters' Association, capable of ultimately evoking the co-operation of all plantation interests in the State and a proper understanding by the State Government of the industry's point of view. Accordingly the Mysore State Planters' Association was inaugurated on 3rd August, 1958.

The Association is constituted of planting interests throughout Mysore State and the affairs of the Association are conducted by an Executive Committee elected each year from different planting districts. The Committee is headed by the Chairman of the Association who is elected by the General Body every year. The Membership of the Association is open to owners of coffee, tea, rubber, pepper and cardamom estates situated in Mysore State.

BILLIGIRI PLANTERS' COMMITTEE

This Committee is not functioning for the last one year.

COORG PLANTERS' ASSOCIATION

Office : P.O. Box No. 15, Mercara, Coorg.
Phone No. : 29.
Chairman : B. S. Kushalappa.
Vice-Chairman : D. Sivappa.
Committee Members : D. Kumar Siddanna, C. S. Prabhakar, C. T. Subramaniam, P. A. Menon, K. C. Appaiya, R. D. B. Hughes, M. S. Abraham, T. J. Varghese and K. M. Poovaiah.
Secretary : M. N. Gundu Rao.

History :

The State of Coorg came under the rule of the British in the year 1834 and since then it was administered centrally, through the Resident of Mysore, Bangalore, who was also the Chief Commissioner of Coorg.

In 1924 Coorg was given an advisory Council, and after the attainment of Independence, Coorg was given the status of a C. Group State and after the elctions of 1952, Coorg for the first time had a full fledged Council of 24 members, two of whom were elected as Ministers.

This Council was dissolved after the formation of Mysore State on 1st November, 1956, and since then Coorg has continued to be a District of the State of Mysore.

The Coorg Planters' Association had its birth in the year 1881 and its first Chairman and Hon. Secretary were Rev. A Fennell and Mr. G. R. Evans respectively. The Association has a continuous record of good service to its members and continued as a State Planters' Association until the formation of the Mysore State Planters' Association in 1958.

The Indian Planters' Association, Coorg, merged itself with the Coorg Planters' Association on 1-11-1962.

The Coorg Planters' Association is now functioning as a District Planters' Association.

INDIAN PLANTERS' ASSOCIATION (MYSORE)

Office : Chikmagalur, Mysore State.

President : T. C. Manjappa Setty.

Vice-President : A. M. Basave Gowda.

Committee Members : K. S. Kalle Gowda, B. E. Putte Gowda, S. N. Ramanna, A. C. Shive Gowda, M. A. Hamid, H. B. Byre Gowda, K. Sangappa Setty, N. K. Ganapaiyya, U. K. Lakshman Gowda and Bagamane Dyane Gowda.

Hon. Secretaries : C. R. Shivananda and K. R. Bharath.

History

The Indian Planters' Association was started in 1893 with the object of safeguarding the interest of the planters in general and Coffee Planters in particular and was registered with the Government of Mysore. From that time the Governments of Mysore, Madras and other State Governments have been recognising this Association to ascertain the views on matters relating to the Planters of this part of India. Besides the Mysore Government during pre-responsible Government had given representation to this Association on the Mysore Representative Assembly, the District Board and other advisory committees. By constant contact with the Governments both at the Centre and at the State level, this Association has been serving the planting community for the last sixty-three years.

At present the Association is having a close liaison between the several sister Associations in Mysore State and has been representing to the State Government and the Central Government all problems by constitutional methods. The relation with the labour has always been most cordial.

Originally this Association was known as ' The North Mysore Indian Planters' Association ' and it was changed in 1934 to the present name.

THE ASSOCIATION OF PLANTERS OF KERALA

Office : Kottayam-4, Kerala State.
Tel. Add. : 'APT', Kottayam.
Phone No. : 2328.
Chairman : R. H. Paylor.
Vice-Chairman : A. George Ninan.
Committee Members : K. N. Ananthasivan, K. N. V. Ayyar, R. Banerji, George John, J. N. A. Hobbs, T. T. Kuruvilla, J. N. Marsh, M. C. Mathew, J. C. Strange, A. D. Peacock, M. M. Varghese and K. C. Thomas.
Secretary : O. C. Mathew.
Asst. Secretary : James Mackil.

History :

The Association is a company, registered under the Companies Act. It was originally registered in 1939, under the name of the Association of Planters of Travancore.

Membership of this Association is open to the owners of Tea, Rubber, Coffee or Cardamom estates, comprising a total area of at least fifty acres.

On the formation of the Travancore-Cochin State in July 1949, membership was extended to the whole of Travancore-Cochin area. Subsequently, on the formation of the Kerala State in November 1956, membership was thrown open to the whole of Kerala State.

CENTRAL TRAVANCORE PLANTERS' ASSOCIATION

Office : Granby Estate, Vandiperiyar P.O., Kerala State.
Tel. Add. : 'DISPA'.
Chairman : P. Congreve.
Committee Members : J. C. Strange, M. C. A. Jackson, E. S. J. Davidar, A. E. Taylor, K. N. V. Ayyar E. K. Joseph, A. K. Abraham, P. G. S. Hall and V. O. Markos.
Hon. Secretary : H. D. Dhunjeebhoy.

History :

The first recorded Coffee clearing in the Peermade-Vandiperiyar area which today constitutes the Planting District of Central Travancore, was opened by John Munro in 1862. This was known as Hope Estate and now forms part of Stagbrook Estate. Some thirteen years later in partnership with the Turner brothers, he was to play an important role in the opening of the Kanan Devan Hills in Northern Travancore.

Shortly after 1862, F. G. Richardson opened Twyford Estate, and Robert Baker, Stagbrook Estate, and in 1866 F. G. Richardson sold his share in Twyford Estate and moved to the Vandiperiyar Valley where he opened Chenkara and Paykanam Estates. Placaad Estate in Vandiperiyar was opened by Donald Ross in 1868.

During the formative years there were not sufficient Coffee Planters in the Peermade-Vandiperiyar area for it to be worth their while forming a Planters' Association, but they sent their representative to the Annual General Meeting of the Travancore Planters' Association when some sixty Coffee Planters from South Travancore held a regular Planters' Week in Trivandrum. One of these pioneer Planters records that when starting from Kottayam on a horse-ride back to Peermade, there were only six places on the weary track where he could obtain fire to light his cheroot, so it is not surprising that they did not attend more regular meetings of this Association in Trivandrum.

Coffee leaf disease first appeared in 1875 and the major coffee growing area of South Travancore was seriously affected. The disease also appeared in Peermade-Vandiperiyar, but here the Planters were able to turn from Coffee to Tea, with the result that whilst the importance of South Travancore diminished as a Planting District, that of Peermade-Vandiperiyar increased with the rapidly expanding acreage being brought under Tea.

Tea was first grown in Peermade in 1864 on an experimental basis in the Government Gardens, but the first record of its commercial cultivation is by F. M. Parker on Penshurst Estate, where he opened 25 acres in 1875. From this time onwards the extension of the acreage under tea was rapid. Messrs. Parker and Acworth introduced Assam Tea Seed and the latter planted the whole of Arnakal Estate with this, whereas the first Peermade clearings were laid down with China Hybrid Seed obtained from the Nilgiris and probably originating from that consignment of tea seed imported from China by Lord William Bentinck in 1834.

With the increased number of Planters in the Peermade District it was possible to form the Peermade Planters' Association in 1874. The initiative for this was taken by H. Clarke and F. M. Parker.

In 1895, G. L. Acworth, who was then Hon. Secretary of the Peermade Planters' Association, suggested that the Association should be re-styled as the Central Travancore Planters' Association in view of the increased importance of Peermade-Vandiperiyar as a Planting District. The C.T.P.A., therefore, came into being in 1895 as a continuation of the Peermade Planters' Association constituted in 1874, the first Chairman of the newly named Association being W. S. Imray.

The Peermade Planters' Association was not represented at the 1893 Conference from which sprang the UPASI but in 1894 Peermade appears as subscribing Rs. 100 for 2 votes ; in 1895 G. L. Acworth went to Bangalore as the first representative of the C.T.P.A. at an Annual General Meeting of UPASI.

Statistics for the yield and acreage of the Central Travancore District in the earliest years are not available, but in 1906 there were 8000 acres under tea and 500 acres under Coffee.

COCHIN PLANTERS' ASSOCIATION

Office : Pudukad Estate, Palapilly PT. Kerala.
Tel. Add. : Pudukad Estate, Palapilly.
President : K. A. Paul.
Committee Members : V. P. John, T. P. Anantharaman, P. M. Thomas and Thattil George.
Secretary : P. K. Madhava Menon.
Jt. Secretary : J. H. Williams.

History :

The Cochin Planters' Association was formed at a meeting held on the 9th June 1965, at Trichur.

KANAN DEVAN PLANTERS' ASSOCIATION

Office : Madupatty Estate, Mattupatti P.O., Kerala State.
Tel. Add. : ' KDPA ', Munnar.
Chairman : C. G. Sowerby.
Committee Members : D. M. McIntyre, J. C. Gouldsbury, A. D. Barr, I. J. C. McChlery, N. S. Dhar, G. Varghese, R. Banerji, W. A. L. Marr, L. T. Daltry, J. W. Jacob and A. Alaganan.
Hon. Secretary : M. Abraham Varghese.

History :

When the Association was first formed on 1st April 1888, it consisted of some Proprietory Planters who were running their own Estates both Tea, Coffee and Cinchona.

In the year 1897, the Kanan Devan Hills Produce Co. Ltd. was formed and the planted lands of the old Planters were bought up and thereafter further estates were opened up in the concession granted to the Company by the then Ponnayattu Chiefs of the State of Travancore.

Communications were by horse, tat pony and walking only until 1904 when the Northern Outlet Road to Udumalpet was opened.

The Company also constructed a Ropeway down to Bottom Station near Bodinayakanur for transport of tea and rice, and another through the district to Munnar.

There was also a form of rail/tram running from top Station to Munnar which existed until 1924 when the district suffered heavy floods and road and rail communication generally was interrupted.

Thirty years later in 1934 another road was opened to the West Coast, i.e., Cochin. In approximately 1942, another road was built to Kodaikanal and in 1953 across the Cardamom hills to Kumili and Vandiperiyar.

There are now buses, lorry services and all other forms of mechanical transport operating on these roads.

MALABAR PLANTERS' ASSOCIATION

Office : Kuttiadi Estate, Kuttiadi P.O., Via Badagara, Kerala State.
Chairman : M. C. Mathew, Palamatom, Chevayoor, Calicut-4.
Hon. Secy : K. Haridas, Kuttiadi Estate, Kuttiadi, P.O., Via Badagara.

MUNDAKAYAM PLANTERS' ASSOCIATION (Incorporated)

Office : Mundakayam P.O., Kottayam Dt.

Chairman : A. V. John.

Committee Members : S. S. Sarma, W. H. Armstrong, P. K. Menon, J. George, George John, Michael A. Kallivayalil and K. S. Scaria (Jr.).

Hon. Secretary : Abraham Lukose.

History :

The district of Mundakayam nestles at the foot of the Peermade ghats some 32 miles due East from Kottayam on the Kottayam—Kumili road. Its history is predominantly connected with the Rubber Industry, which continues to hold good to this day.

It is generally conceded that the first development of *Hevea Brasiliensis* in South India on a plantation basis was the planting of Periyar Estate on the banks of the Alwaye river in 1902 by the 'Periyar Syndicate', J. J. Murphy, J. A. Hunter, K. E. Nicoll and G. Nicoll Thomson. Nevertheless, Mundakayam was the birthplace of the rubber industry on a commercial basis, due to the large scale development and expansion concentrated in this area between the years 1903 and 1914. By the end of 1910 Mundakayam could claim to be the biggest rubber growing district, with over half the rubber acreage planted in South India up to that time. The names of the early pioneers responsible for the development of the industry in the first decade are worthy of record :—J. J. Murphy—Yendayar, H. Drummond Dean—Eldorado, R. S. Imray—Mundakayam, J. R. Vincent—Kutikul & Nenmeny, J. A. Richardson—Paloor & Kuppakayam, H. B. Kirk—Peruvanthanam, R. Harley—Orkaden, N.B. Hartley—Teekoy, Palampadam Thomas—Choati and those in subsequent decades : K. C. Abraham—Chuzhuppil, K. S. Scaria-Meloram, Vallat Raman—Urimbikara, K. V. Thomas—Seaview.

Of the early Rubber Companies, Orkaden River Rubber Co., Teekoy Rubber Co., Malayalam Rubber & Produce Co., Stagbrook Rubber Co., Travancore Rubber Co., Mundakayam Valley Rubber Co., Central Travancore Rubber Co., Paloor Rubber Company—none now remain as such.

The Mundakayam Rubber Planters' Association was formed in 1905 and its early meetings were held in the 'Planters' Hall' built specificially for the purpose on the property of the Travancore Rubber Co. and later to become the Mundakayam Club. In 1912 with the development of tea in the District, the M.R.P.A. changed its name to the Mundakayam Planters' Association and records a membership of 17 estates and 32 Europeans which ultimately rose to 43 Europeans in 1913. This proved to be the peak European membership prior to World Wars and World slumps.

From its inception the Association took an active interest in UPASI and in planting politics. Mr. J. J. Murphy whose influence more particularly in rubber matters was considerable, was the driving force behind the formation of the UPASI Rubber Scientific Department. The Scientific Station was located in Mundakayam adjacent to land made available by the Travancore Rubber Co. The Rubber industry owes a deep debt of gratitude to the UPASI Scientific Officer, Mr. H. Ashplant, who was responsible for the introduction of Bordeaux Mixture in the control of *Phytophthora Meadi* which saved South India's youngest plantation industry from extinction. The UPASI Rubber Scientific Department was closed down in the World slump of 1930.

Since the thirties the Association has been regularly represented on the UPASI Rubber Section, the Association of Planters of Travancore, the Association of Planters of Kerala and the Rubber Board. Mundakayam's place in the Rubber industry is as important today as it was in the first two decades of the century. It is significant in the independent India of today that Indianisation of the industry is more advanced than in any other planting district.

NELLIAMPATHY PLANTERS' ASSOCIATION

Office : Poothundu Estate, Padagiri P.O., Via Nemmara, Kerala State.

Tel. Add. : Care 'Pooplants' Nemmara.

Chairman : R. N. Chaturvedi, Chandramalai Estate, Nelliampathy P.O., Via Nemmara—Phone No. Kollengode 53.

WYNAAD COFFEE GROWERS' ASSOCIATION

Office : P.B. No. 10, Kalpetta, Calicut Dt.

Tel. Add. : Wynaad Coffee Growers' Association, Kalpetta.

Phone No. : Hon. Secretary 35, Kalpetta.

President : J. D. Mc'Leods.

Committee Members : A. Ratnam, M. K. Jinachandran, M. A. Dharmaraja Iyer, M. Achuthan Nair, Rev. Fr. Kuriakose Kodukkachira, P. Chandrayya Gowder, P. M. Vardhamanan, M. K. Ananthayya Gowder, I. R. Royal and T. K. Govindan Nair.

Hon. Secretary : A. Ratnam.

History :

The Association was formed in 1940 with the main idea of safeguarding the interests of Robusta growers of Wynaad. Membership of the Association is open to any registered coffee grower of Wynaad with an area of more than one acre of coffee. In the year 1951, the Association launched a small scheme of financing small coffee growers. However, the scheme had to be given up later. Janab Neelikandi Moideen Jaji, M. K. Padmaprabha Jain, M. K. Ananthayya Gowder and M. K. Jinachandran have successfully held office of the President from 1904.

History

The Federation was established in March 1933 with the object of promoting and protecting the interests of employers engaged in industries, trade and commerce, to maintan harmonious relations between management and labour and to initiate and support schemes to increase productivity and welfare of labour etc.

The Federation has, at present, 20 Association and 111 Company Members. It has representation at national and international levels. It also keeps its members informed of all important developments in legislation decisions of the tripartite meetings and other issues falling in the field of labour-management relations. In addition, the Federation gives advice and guidance to Members on all labour problems from time to time.

The Federation has already published seven Monographs, three Handbooks ; it also brings out a fortnightly *Industrial Bulletin* which gives the current news and developments regarding industrial relations and related matters in India and abroad.

EMPLOYERS' FEDERATION OF SOUTHERN INDIA

Office : Dare House, North Beach Road, Madras-1.

Birla, Lakshmipat Singhania and Shiryans Prasad Jain.
Secretary-General : G. L. Bansal.
Secretary : P. Chentsal Rao.

Established in 1927 with the object of promoting Indian business and to secure organised action on all subjects of interest to the business community, the Federation owes its origin to the annual Industrial Conferences which used to be held along with the Sessions of the Indian National Congress. From a modest beginning with a membership of 24 Chambers of Commerce and Trade and Industrial Associations, the Federation has steadily grown in strength and status. Today it has on its roll 173 Chambers of Commerce and Trade and Industrial Associations and 369 Associate Members, comprising leading business houses in the country. Many of the constituents of the

Federation are themselves large organisations with membership running into thousands. The Federation, through its constituents, covers almost the whole of the organised Indian industry and trade. Today it is the national agency through which the business community crystallises its views on current problems and its status as the apex organisation representing the commercial and industrial interests of the country has come to be recognised both by the public and Government. The Federation is represented on almost all important Consultative Bodies of Government. The Central Advisory Council of Industries, the Import and Export Advisory Councils, Customs Advisory Committees at Ports, Commodity Committees like Central Oilseeds Committee, Tobacco Committee, Arecanut Committee, Capital Issues Advisory Committee, Council of Agricultural Research, Liaison Committee of the Food and Agriculture Organisation, Industry and Trade Panels of Railway Rates Tribunal, are some of the important Bodies on which the Federation is represented.

The Membership of the Federation is of four classes, Ordinary, Honorary, Overseas and Associate. Chambers of Commerce and Industrial and Trade Associations are eligible to become Ordinary Members. Persons distinguished for Public Services are elected as Honorary Members at the General Meetings of the Federation. Chambers of Commerce operating outside India are admitted as Overseas Members. Individuals, firms and companies, in the membership of an Ordinary Member of the Federation are admitted as Associate Members. The annual subscription for Ordinary Members is Rs. 1,000 and that of the Associate Members depends upon turnover, deposits, premia, etc. No subscription is payable by Overseas Members.

The Federation issues a bulletin, '*Fortnightly Review*' which contains information and comments on current economic events in India and abroad. It is also bringing out another bulletin '*Export News*'.

Realising the need for a Central Arbitration Body to deal with the various disputes, specially between India and foreign parties, an Arbitration Tribunal has been set up under the auspices of the Federation. The establishment of a permanent Industrial Museum at New Delhi to exhibit the products of industries is contemplated.

The Federation has been instrumental in the establishment of three allied organisations—All India Organisation of Industrial Employers, The Economic & Scientific Research Foundation and the Indian National Committee of the International Chamber of Commerce. Their offices are housed in the same building as the Federation and the secretarial services are also being provided by the Federation.

INDIAN COUNCIL OF WORLD AFFAIRS

Office : Sapru House, Barakhamba Road, New Delhi-1.
Tel. Add. : 'Interasia'.
Phone Nos. : 47038-39, 43438-39.

The T.R.A. is supported by the Council of Scientific and Industrial Research, Government of India.

MADRAS CHAMBER OF COMMERCE

Office : Dare House, North Beach Road, Madras-1.
Tel. Add. : ' MADRAS CHAMBER '
Phone Nos. : 22621 and 22622.
Chairman : A. W. Stansfeld.
Vice-Chairman : John K. John.
Committee Members : M. E. Bourcier, C. Cayley, M.C., A. D. Galloway, A. W. B. Hayward, A. R. Liddiard I. G. Macintosh, V. A. Watts, O.B.E., and J. C. Watson.
Secretary : V. J. Ross.

History :

The Madras Chamber of Commerce was established on 29th September 1836. The object for which he Chamber is formed is to protect the interests of trade, to receive and collect information on all matters of mercantile interest bearing upon the removal of grievances and the promotion of common good, to communicate with authorities and individual parties thereupon, to receive reference on matters of custom or usage in doubt or dispute, deciding on the same and recording the decision made for future reference ; and to form by that and other means a code of practice whereby the transactions or business by all engaged in it may be simplified and facilitated.

The Madras Chamber of Commerce does not represent any particular trade but its members are engaged in various industries and trades such as Textile Industry, Sugar Industry, General Engineering Industry, Electrical Industry, Export and Import Trades, Shipping, Pharmaceuticals, Fertilisers, Vegetable Oils, Mineral Oils etc. Besides there are Banks and Professional firms who are also members.

The Chamber is having on the rolls at present 120 members and 6 Affiliated Members. This Chamber is affiliated to the Associated Chambers of Commerce & Industry of India, Calcutta.

Honorary Auditor : P. C. Mathew.
Covenanted Architect : Cyriac Vellapally.
Works Supervisor : K. Narayana Pillai.
Joint Secretaries & Treasurers : Michael A. Kallivayalil and George John Ancheril.

History :

The Mundakayam Medical Trust was formed at a meeting of the public of Mundakayam, Kanjirapally, Peermade and the surrounding places of the Kottayam District held on 3rd July 1960 in the Mundakayam Club for the establishment of a major Hospital at Mundakayam to be run and owned by the Medical Mission Sisters. For implementing this scheme, a Governing Board and a Building Sub-Committee were formed with powers to co-opt. These Committees were since expanded to their present size. The building works were started in 1961. The Buildings for the quarters of the Senior and Junior Doctors were completed before 1965 and the Main Hospital Building was nearing completion during the year. With a view to the early functioning of the Hospital services the Hospital property and Buildings were handed over to the Medical Mission Sisters by means of an Indenture of Settlement on the 15th May, 1965, and the Hospital services were soon started beginning with the dispensary section. The in-patient wing has begun to function from 30th September 1965, in one of the finished sections of the Hospital Building. The Hospital is termed as ' Mundakayam Medical Trust Hospital '. It is owned and run by the Medical Mission Sisters, and a Sister in Charge is now functioning as its Administrator.

The scheme originally designed was to start a Hospital with 30 beds, but with the prospect of large scale co-operation from the public, the Panchaytas, the Plantation Estates,and other philanthropic people and institutions like the Rubber Board, and the Tea Board, the scheme was expanded to the size of a 175 bed Hospital. The Government has helped the scheme by issuing the Timber required at concessional rate and by allowing exemption from income-tax in respect of the donations made to the Trust Fund. The funds for the scheme were obtained by donations. The land for the Hospital covering 12 acres was donated by M/s. Travancore Rubber and Tea Co. Ltd. The Rubber Board gave a donation of Rs. 50,000 and the Tea Board has given a grant of Rs. 75,000. The United Planters' Association of Southern India has also assisted the scheme by their co-operation in securing the building materials needed for the works at controlled rates. Besides the local public, several people and institutions outside the District had also given large sums as donations to the Trust Fund. Donations were received from several estates on the basis of lien on beds in the Hospital when the scheme materialises so as to afford them relief from the liability for the Hospital services under the Plantation Labour Rules. The scheme has not materialised in full now, but a beginning has now been made this year with some 40 beds, a Doctor and the necessary nursing staff in residence. The Hospital is now running a First Aid Training Centre which has been inaugurated on the 8th October, 1965 by Shri A. P. Jain, the Governor of Kerala, who honoured this Hospital by his visit.

PLANTERS' ASSOCIATION OF CEYLON

Office : 73/1, Kollupitiya Road, Colombo-3
Tel. Add. : ' Pack ' Colombo, Ceylon.
Phone Nos. : 5387/8.

SIEMENS
INDIA

YOU CAN GET
ALL YOUR ELECTRICAL REQUIREMENTS
FROM ONE SOURCE

■ Siemens make a comprehensive range of electrical equipment... whose high standards are internationally well-known. Whatever your needs, Siemens can meet them—whether individual units or complete plants.

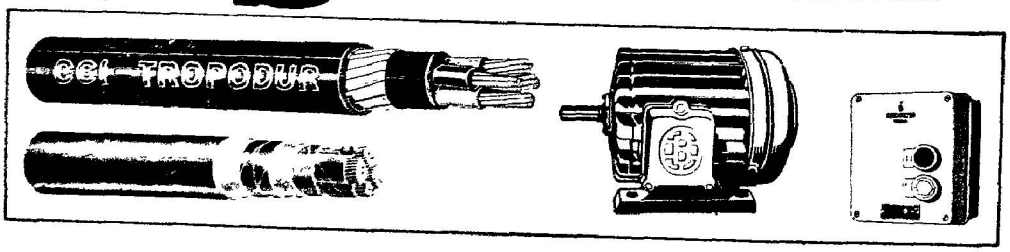

■ Siemens engineers are specialists. They are thoroughly trained to deal with the special problems of particular industries—and to advise on the diverse applications of electrical equipment.

■ Siemens have a wide network of dealers. As a result, products reach customers promptly in any part of the country.

SIEMENS vast technological resources are behind every item of Siemens equipment... behind every aspect of Siemens service, whether planning, designing, supplying, installation, or After Sales Service.

For your specific requirements contact any Siemens branch office, or your nearest Siemens dealer.

POWER FOR PROGRESS—THROUGH SIEMENS

A TRADITION OF EXCELLENCE

Stanes

OVER 100 YEARS
OF
SERVICE AND EXPERIENCE

- FERTILISERS
- CATTLE & POULTRY FEEDS
- ESTATE SUPPLIES
- "A" CLASS AGENTS– COFFEE BOARD

This Company was founded over 100 years ago by Sir Robert Stanes.

Our policy of personal service and the high quality of our products has made the name of STANES famous throughout India.

We are "A" Class Coffee Curing Agents for the Coffee Board and can supply all Estate and Cultivators' requirements of tools and equipment, insecticides, pesticides, etc. Our seven Factories at Tudiyalur, Madurai, Valavanur, Subbegoundenpudur, Ettumanoor, Kanimangalam and Mangalore produce high quality Fertilisers and Cattle and Poultry Feed.

We provide extensive free Technical Advice to both planting and cultivator clients on all Agricultural problems through our qualified technical staff.

'EVEREST' ASBESTOS-CEMENT

simplifies building erection

Today architects and builders know the value of 'Everest' Asbestos-Cement building materials. The outstanding advantages are low initial cost and ease of handling and erection. Additionally, 'Everest' Asbestos-Cement materials strengthen with age and require no painting or maintenance.

'EVEREST' ASBESTOS - CEMENT IS FIRE-RESISTANT

EASY TO HANDLE AND ERECT—CAN BE CUT ON SITE WITH AN ORDINARY HAND-SAW

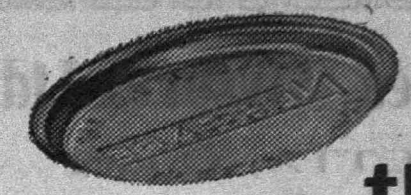

IMPERVIOUS TO WHITE ANTS, ROT AND RUST

REQUIRES NO PAINTING OR MAINTENANCE.

ASBESTOS CEMENT LIMITED

Increase Sugar Production through Effective Rat Control with

WARFARIN

Warfarin, the amazing new American discovery, saved about 30% of Sugar Cane Crops in Hawaii and Mexico, even at the first field use. Now Sugar Growers the world over have adopted Warfarin as the standard protection against rats.

You too can effectively protect your Sugar Cane Crops from Rats, in India, with Bullocks Brand Warfarin Rodenticide. It is a powerful concentrate of original Warfarin that makes 20 times its own Weight in baits.

Prevention is better than cure, for, it is easier to prevent rats going into a newly planted cane field by Perimeter control, than when the crop has already grown up.

Available : 100 gms. packing Rs. 2/-
450 gms. Rs. 7/-
12 kg. Rs. 170/-. Taxes and Postage extra.

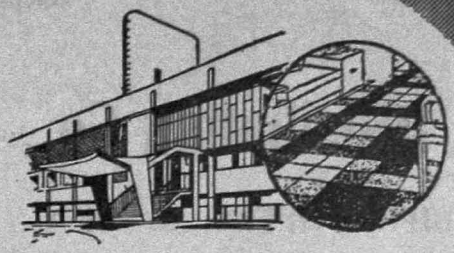

NOW MARKETED IN INDIA AS

WARFARIN
BULLOCKS BRAND
RODENTICIDE

Sales Depots are situated at :

1. Hyderabad (Sultan Bazaar) Opp. Green Mosque.
2. Ootacamund, Nilgiris (Race Course Road).
3. Phandarpur, Maharashtra (Ghongadi Bazaar).

We are the bulk producers of Woollen Handloom Kambals, blankets, zoras and rugs, in different sizes and attractive designs in the Co-operative sector in Andhra Pradesh. Our goods are purely wool-made, cheap and durable. Our prices for cumblies range between Rs. 7/- and Rs. 15/- each, that of zoras Rs. 16/- to Rs. 36/- each and blankets Rs. 14/- to Rs. 30/- each.

We have particularly specialised the production of cumblies and blankets required by the Tea and Plantations Estate Workers, Railway Workers, and Government Departments. We supply about Rs. 20 lakhs worth of goods to Director General of Supplies, New Delhi, Tea and Plantation Estates, other Government Departments and reputed customers in bulk. Our motto is service and not profit : our object is to give a living wage to the handloom woollen artisans. We allow rebate on retail sales and to bulk sales. For your requirements please contact our Head Office or Sale Depots for supplies.

N. Narasappa,
President.
